Bartending Service Fees

Cash Bar: Individuals will directly pay for all beverages consumed. The client will pay for bar-set up fees averaging \$2.00-\$2.50 per person and is based on the total catering guest count. Sales, per bar, must exceed \$375 for the event or the difference will be billed to the client.

Host Bar: The client/host pays for all beverages consumed plus bar set-up fees. Charges will be based on consumption. Sales tax and an 18% service charge/gratuity will be added to the final liquor invoice. Total sales must exceed \$750 for all beverages, otherwise the difference will be applied to the final invoice.

Beverage Policies

- Last call is 45 minutes prior to the event end time and last drink served 30 minutes before the end of the event.
- Beverage service minimums are applicable or additional fees may apply. A flat minimum of \$750.00 cumulative of all bars for the event is required. If the total beverage sales do not meet this minimum the difference will be noted as a cost on the final invoice.
- If donated alcohol is pre-arranged the service fee is still applicable and based on the total bar value.
- Donated alcohol for qualified non-profit events will be subject to applicable corkage fees.
- Food must be accompanied with any alcoholic beverage service.
- Colorado State Law prohibits the sale to and consumption of alcoholic beverages to anyone under 21 years of age. All guests will be carded and no service will be given to those that don't have a state issued identification card.
- One bar is required for 75 guests when hosted and 100 guests when cash.
- The venue has the right to shut down one bar based on traffic.
- Additional staff may be required to accommodate specialty cocktail service (i.e. champagne toast). The select catering company can pass /serve but the venue is required to prepare the beverage to be passed.
- The catering company will provide garnishments for beverages. This on average is \$2.00 - \$2.50 per person.
- Bartenders will be provided by the catering company. In the initial planning stages of menu development and budget creation please have the caterer include.
- Client required to provide the venue with a credit card on file for beverage services. This card will be charged for the approved deposit which is 75% of the estimated total beverage service and due within 45 days of the event.
- Specialty orders will be accommodated if placed a minimum of 30 days prior to the event date.
- All products, not consumed, will remain the property of the venue.
- Policies, rates and selections are subject to change.
